

Dumbbells

with Adjustable Weights

Wi-AWDB

for **Wii fit™**
Balance Board

Easy set up

Build muscle by adding more resistance to your Wii™ Fit workouts with the adjustable weight dumbbell set for Wii. These dumbbells are specifically designed to enclose the Wii™ Remote (with or without the Wii™ MotionPlus adapter) and Nunchuk in the dumbbell. To add more weight, just click on the weight rings. Together weighing a total of up to 9.8 lbs, these weights are perfect for cardio, and weight training at home. They provide just the right amount of weight to your Wii exercise routines; you will wonder how you worked out without them!

Features

- Connects Wii Remote and Nunchuk cable through openings on ends
- Allows access to all Wii Remote functions
- Non-Slip Silicone skins on the ends of the dumbbells
- Use the remote or nunchuk in either dumbbell
- MotionPlus Compatible

Package includes:

- (2) Dumbbells
- (4) Extra weights (.12 lbs each) **Wii Remotes, Nunchuk and Wii Motion Plus not included*
